

Visweswaram nithyamananthamadhyam,
Trilochanam chandrakalavathamsam,
Pathim pasoonam hrudhi sannivishtam,
Chidambaresam hrudhi bhavayami.

*I meditate on that Lord of Chidambaram,
Who is the Lord of the universe,
Who is stable from beginning to end,
Who has three eyes,
Who wears the crescent of the moon,
Who lives in the mind of beings as their lord.*
